

IT SOFTWARE AND WEB PROFESSIONALS ADVANCED APPRENTICESHIP LEVEL 3

DURATION: 2 years

DAYS IN COLLEGE: One day per week

START: Flexible

SUBJECT OVERVIEW

This Level 3 IT apprenticeship will provide you with the skills required to develop computer solutions that help businesses and individuals become more successful in their work. This may include developing software or websites, helping companies set up new systems, or training people to use their IT facilities. Level 3 is ideal for those looking to progress in their career or to learn new ICT skills. It is also appropriate for those looking to enter higher education.

ENTRY REQUIREMENTS

Grade requirements: You will need a minimum of four GCSEs at grades A*-C or 9-5, including English and maths.

COURSE CONTENT

During this apprenticeship you will study a range of topics, which could include:

- CISCO IT essentials part 1 and 2
- Software installation and upgrade
- Technical fault diagnosis
- Working with ICT hardware and equipment
- Software design fundamentals
- Managing software development
- Website production
- Computer systems
- Software design and development
- Computer networks
- IT troubleshooting and repair

ASSESSMENT METHODS

You will be assessed through building a portfolio of evidence, assessment in the workplace and assignment work.

QUALIFICATIONS

You will gain the following qualifications:

ICT Professional Competence Level 3 Diploma

Plus...

- ICT Systems & Principles for IT Professionals Level 3 Certificate
- Employment Rights and Responsibilities
- Functional Skills in English and Maths
- Functional Skills in ITC

FURTHER STUDY AND CAREER OPTIONS

Further study: Upon successful completion of this apprenticeship you may wish to undertake a higher qualification here at Bedford College, such as IT Software & Web Professionals Level 4 Higher Apprenticeship, IT Networking & Security Foundation Degree or Computing & Systems Development BTEC HNC/HND.

Future careers: These qualifications can help you progress into a range of roles including database administrator, internet/web professional, IT product developer, IT technical sales and network manager.

ADDITIONAL INFORMATION

Inclusion

Bedford College actively seeks to promote equality of access to education and training and to provide support where appropriate. Employers are made aware that apprentices have the same rights to protection against discrimination, harassment and victimisation under the Equality Act 2010 as employees.

Apprentices who have disclosed a disability covered by Equality legislation have the right to request reasonable adjustments in the workplace. We will work with employers to ensure that appropriate adjustments are agreed and established to facilitate this.

At the College we provide additional support for students and apprentices who have a specific learning difficulty or disability.
